

DR. MITCHELL'S FINE ADDRESS

His Discussion of the "South's Three Tasks" Feature of Carolina Meeting.

BOARD OF ELECTIONS FOR LEE

State Board Will Soon Name Such Body for New County.

(Special to The Times-Dispatch.)

RALEIGH, N. C., March 23.—The Wake county public school teachers completed a very successful three days' bi-monthly session here this afternoon under the leadership of County Superintendent J. V. Judd. There were a number of addresses and lectures on the work of the teacher, but probably the most notable feature was the address by Dr. S. C. Mitchell of Richmond College, on the "Three Great Tasks of the South," and the reception and concert last night at the Baptist University for Women, complimentary to the rural school teachers.

The Wake County Sunday School Association was in annual session here to-day with quite a creditable attendance. Especially notable features were addresses by N. B. Doughton on "Organized Sunday School Work; How It Helps the Local School"; by R. N. Smith on "Marks of the Well-Organized Sunday School"; Round Table on Sunday School Management; The Teacher's Mission and Equipment; by Dr. A. H. Momen, pastor of the Presbyterian Church.

The Young Men's Industrial Club, of Raleigh, last night appointed a committee to confer with officers of the Chamber of Commerce, the Merchants' Association, and other organizations of the city, as to the advisability of calling a mass-meeting of citizens to see to it that representative capable men are elected in all the wards for the Board of Aldermen. The primary is April 4th. They fear that if there is not some such movement incoherent Aldermen will be selected in several of the wards.

Board of Elections.

The State Board of Elections met in special session here this afternoon for the purpose of appointing a board of elections for the county of Lee, created by an act of the last Legislature out of portions of Moore and Chatham, with Sanford-Jonesboro as the county seat. The county election board will have direction of the election which is to be held later in the spring on the question of the creation of the county. Of course, the general expectation is that the vote will be practically unanimous.

A charter was issued to-day for the Western Carolina Printing Company, of Marshall, Madison county; capital, \$25,000, to J. H. White and others, for publishing a daily and weekly newspaper and doing job printing at Marshall.

The complaint was filed to-day in Wake Superior Court in the suit against the Seaboard Air Line demanding \$10,000 damages for the killing of Engineer Samuel E. Maxwell in the Peachland collision, near Monroe, December 29th. Maxwell was the engineer on the passenger train which ran into the freight train. The complaint sets out that the railroad company is responsible because of the neglect to properly flag the freight train.

Complaint was filed to-day in Wake Court for the suit against the Norfolk and Southern Railroad Company for injuries sustained by J. A. Galbraith, construction train conductor on the Raleigh and Pamlico Sound road by the train falling through a trestle, alleged to have been defective, July 31st last. In this suit, \$20,000 actual and \$10,000 punitive damages are demanded.

There was also complaint filed in a suit against the Seaboard Air Line for \$7,500 damages for the killing of S. D. Perry, about one mile north of Raleigh, October 28, 1905. The deceased was walking on the track, and the Weldon freight train struck

Another charter is for the Wood and Iron Works, of Wadesboro, capital, \$25,000, by I. H. Horton and others. A statement is given out from the office of the clerk of the Eastern District United States Court here that in compliance with a recent act of the Congress the time for holding the courts in the East Carolina circuit are changed as follows:

Elizabeth City—Second Monday in April and in October; two weeks' term.

Washington—Third Monday in April and in October.

New Bern—Fourth Monday in April and in October. These terms to be two weeks where docket requires it.

Wilmington—Second Monday after the fourth Monday in April and October.

Raleigh—Fourth Monday after the fourth Monday in April and October.

A series of special meetings will begin in Edenton Street Methodist Church here next Sunday. Dr. W. W. Elston, of Nashville, Tenn., will assist Pastor Bumpas during the first week and Rev. J. S. Moore, returned missionary from Korea, for the second week and possibly longer. Dr. Moore has spent seven years in Korean missionary work.

LET THEM GET THE CASH.

Judge Boyd Extends Time of Men Convicted of Illicit Distilling.

(Special to The Times-Dispatch.)

GREENSBORO, N. C., March 23.—In Federal Court yesterday morning sentence against the following Wilkes county men, who had pleaded guilty to illicit distilling, was deferred until the regular term of court, beginning April 1st. Cal. Elter, James Ellis, W. R. Combes, Adney Foster, Garfield Foster, James Elter and W. S. Smith. Judge Boyd said he would give defendants until then to get the cash ready. It being understood that fines ranging from \$100 to \$500 will be imposed. He said it was surprising how moderate the moonshining had been in Wilkes in 1904 and 1905, considering that the revenue officers had practically given up the territory to them. George W. Samuel, revenue officer, convicted, and Vance Bell, distiller, being reported too sick to be present, their cases were continued until April.

In the cases of Officers R. H. Hardin, A. S. Patterson and Z. C. Davis, Judge Boyd permitted a suspension of judgment in the criminal case upon defendants confessing and paying a judgment in a civil suit as follows: Patterson, amount of \$1,000; Davis, \$200; Hardin, \$500. Poly Haefner was allowed until June 1st to pay half of his \$500 cash. The \$1,000 fine against James Combes was paid into court by his attorney, W. W. Barber, who has managed all the cases for the distillers. The attorneys, Messrs. R. Z. Linney and R. N. Hackett, for L.

E. Davis, the only one of the defendants receiving a penitentiary sentence, made persistent and eloquent pleas for leniency. Judge Boyd said he gave Davis the minimum sentence and he felt that anything less than that would be a mockery.

INJURIES FATAL.

Mrs. James Foster, Struck by Street Car, Dies at Hospital.

(Special to The Times-Dispatch.)

ASHESVILLE, N. C., March 23.—As a result of injuries sustained by being struck by an electric car on South Main Street Wednesday, Mrs. James Foster, of Leicester county, died at the Mission Hospital yesterday.

Mrs. Foster, who was fifty-two years of age, attempted to cross South Main Street, just below Court Square, and passing behind a wagon, stepped directly in front of the rapidly-moving car. But for the prompt action and presence of mind of Motorman Naughton, who quickly reversed the car, and caused the driver to stop, the contact of the car and lifted Mrs. Foster to one side, the old lady would probably have been instantly killed. The contact with the moving car, though slight, threw her to the ground, and caused injuries which though not deemed serious at the time, were sufficient, in view of Mrs. Foster's age, to justify her immediate removal to the Mission Hospital, where she received every possible attention. She failed, however, to rally, and died this morning, paralysis caused by the shock, being the direct cause of death.

ODD-FELLOWS.

Celebration of Eighty-Sixth Anniversary in Wilmington.

(Special to The Times-Dispatch.)

WILMINGTON, N. C., March 23.—Mr. Hill Montague, of Richmond, Va., is to be the speaker upon the celebration of the eighty-sixth anniversary of Odd-Fellowship in this city.

Wilmington is the strongest city in North Carolina for the Independent Order of Odd Fellows, and each anniversary brings forth an enthusiastic celebration. But this year, April 26th, making the eighty-sixth anniversary of the founding of the order in America, the local Odd Fellows, numbering hundreds, and embraced in four flourishing lodges, will present the most elaborate celebration yet held. Extensive arrangements, directed by a joint committee of twelve, are now under way, and already a splendid program has been mapped out. The main feature of the observance will be a public ceremony at the Academy of Music the night of the 26th of next month, and the address of dedication will be delivered by Hon. Hill Montague.

HOT PRIMARY.

Contest for Nominations in Wilson More Exciting Than for Years

(Special to The Times-Dispatch.)

WILSON, N. C., March 23.—The indications are that the campaign for the nomination of the city Mayor and Aldermen will be the most exciting for years. At the last municipal primary there was only one ticket in the field, no one offering to contest for the honors of the incumbents. This spring, however, not only will there be a contest for Mayor, but there are many aspirants for Aldermen in the various wards. The present Mayor, Mr. John Y. Moore, is a candidate for the nomination of Mayor, and opposing him is H. G. Connor, Jr., Esq. The friends of both are zealous in their behalf. Nomination at the primary is equivalent to election.

At a special meeting of the board of county commissioners, held to-day, an election in Wilson township was called for April 23d to vote on the question of a \$100,000 bond issue for good roads in the township. There is hardly any doubt but that the result will be favorable to the bond issue. Mr. Ed. Darden was elected captain of the Wilson Light Infantry last night, to succeed R. S. Wilkins, resigned.

OPEN NEW BUILDING.

High Railroad Officials Attend Interesting Exercises.

(Special to The Times-Dispatch.)

SPENCER, N. C., March 23.—The Young Men's Christian Association's new building for Spencer was formally opened this afternoon, when large crowds attended appropriate exercises held at the building. Among the visitors were President W. W. Finley, Vice-President H. B. Spencer, and Agent M. V. Richards, General Counsel A. P. Thom, of Washington, representing the Southern Railway Company. Mr. Finley addressed the assembly, and delivered a speech. C. J. Hicks, of New York, and C. Williams, of Richmond, spoke in behalf of the association, assuring the officials of co-operation in maintaining the work. The building, costing about \$2,000, was largely a gift from the Southern. President Finley and the other officials were royally welcomed here.

Several Cars Wrecked.

(Special to The Times-Dispatch.)

WILSON, N. C., March 23.—On account of the failure of the emergency brake to work, the second section of freight No. 317 of the Atlantic Coast Line, ran into first section three miles below here this afternoon. Several cars were demolished, but there were no fatalities.

BLAND WINS.

Suit of West Point Goes Against Town in Supreme Court.

WEST POINT, March 23.—The case of the town of West Point against Bland and others, which has interested the people here for so long, and which has been pending before the Court of Appeals, has been decided in favor of Bland and others. Messrs. Thomas H. Norwood and H. H. Pollard, who represented the town of West Point, Messrs. Herbert J. Lewis and Isaac Diggs represented Bland and others. The litigation was about the strip of land below the Terminal Hotel below First Street, with the Fork River on the south and the Main Street on the north, now known as Marshall's oyster house property.

The appellants claimed that they acquired this title through a long line of conveyances, extending back to a continuous chain to a deed from John B. Lewis, dated in 1880, and deriving his title from W. D. Pollard, and Pollard from the West Point Land Company. The town, however, claimed that it is situated on the Fork River; that the ground necessary to extend this street through to the Fork River was donated to the town by the West Point Land Company, and that the town has accepted the dedication, and therefore owned the strip of land in question.

NAMES MR. HARLESS.

May Succeed Late John C. Blair as Assistant District Attorney.

(Special to The Times-Dispatch.)

CHRISTIANSBURG, VA., March 23.—United States District Attorney Thomas Lee Moore has tendered the position of assistant attorney, made vacant by the death of the late John C. Blair, to Mr. Allen J. Harless, of this place, who is now considering the offer.

Mr. Harless was a law partner of Mr. Moore's for twelve years, and a confidence and friendship exists between them which is hardly less than brotherly. Owing to his large private practice, and the fact that the terms of United States courts conflict with three out of four of the terms of the Circuit Court here, it is thought that Mr. Harless will probably decline the offer.

Mr. Harless is one of the leading lawyers of this section, and enjoys
